

ATWORTH OVER-FIFTY-FIVES.

MARGARET & MAVIS's TEA PARTIES.

Tea Parties were commenced in Spring 2011 as a facility for Atworth residents who were lonely for informal company, when family and friends were elsewhere.

Mavis King approached the Warden of Shell Court, where some residents had voiced their feelings of isolation when family/friends were not visiting, and offered to organise informal Teas in Shell Court Lounge, and inviting retired residents living in Atworth village.

The idea was accepted with enthusiasm. Mrs King was provided with a Password to enter the building, and the first Tea Party was held on 22nd June 2011.

THIRTEEN Tea Parties in total were held in 2011. Attendances were between ten to fifteen ladies/gentlemen at each session, six being residents of Shell Court. Of the remainder, Atworth disabled persons enjoyed the companionship. A Register confirms numbers.
